

# Stamp series marks 50 years of Rukun Negara

POS Malaysia has launched a 50 Tahun Rukun Negara stamp series, commemorating the golden jubilee of the national philosophy's proclamation on Aug 31, 1970.

The stamp series, featuring five attractive designs consisting of 250,000 pieces each and with a denomination of 60sen, is available for purchase on Pos Malaysia's online store at [www.eziemall.com](http://www.eziemall.com) and at all post offices nationwide.

Each design highlights one of the five pillars of Rukun Negara, accompanied by the Rukun Negara Golden Jubilee logo and the bunga raya.

Bright colours have been incorporated to attract young collectors.

A total of 25,000 copies of a commemorative special miniature sheet, with a die-cut and gold-stamped finish to fit the occasion, are available at RM5 each.

Meanwhile, the first day cover with stamps and miniature sheet costs RM3.50 and RM5.50, respectively.

Completing the grand collection are 2,000 special folders available separately at RM6 each.

Pos Malaysia Group chief executive Syed Md Najib Syed Md Noor

said Pos Malaysia had devoted time and effort to this special collection to ensure that it represented the spirit of the Rukun Negara in building a united and harmonious nation.

"This collection, as well as every other series designed and produced by Pos Malaysia, serves as an excellent way to educate Malaysians, especially the younger generation, as stamps are used to mark historic events while reminding the people to always preserve their heritage and legacy," he added.

Stamp collectors and the public may sign up for the Standing Order Deposit Account (Soda) to experience a hassle-free purchase of the latest stamp issues while enjoying exclusive benefits.

To be part of the Soda community, sign up at any post office nationwide or at [www.posonline.com.my](http://www.posonline.com.my).
