Unity convoy set to power up national spirit

PUTRAJAYA: The Malaysia Madani Unity Convoy, which aims to enliven the National Month, is poised to instil patriotism in citizens, said National Unity and Integration Department director-general Datuk Che Roslan Che Daud.

He said the convoy, consisting of 66 participants representing the nation's 66 years of independence, would distribute the Jalur Gemilang (national flag) and engage with people along the route.

"We will also distribute the national flag in neighbourhood watch areas to fulfil the government's aspiration of enlivening the national month with the display of the Jalur Gemilang," he said after flagging off the convoy here yesterday.

Roslan, who will lead the convoy, said activities had been planned, including the #cakapbaik campaign, the presentation of Rahmah baskets and *tong-royong*.

He said the convoy also

aimed to promote a sense of responsibility for national security and appreciation for the country's prosperity inherited from past leaders.

Some 30 riders on high-powered motorcycles, including 10 women, and 36 secretariat members will participate in the two-day programme.

The convoy will start in Putrajaya, pass through Sepang in Selangor and Kuala Pilah in Negri Sembilan before ending in Alor Gajah, Melaka.

Participant Mastura Mohd Yusoff, 36, said the programme would boost the patriotic spirit in Malaysians, especially young people.

"We just finished the 'Ride 7 Masjid' programme. We are enthusiastic about the unity convoy organised by the National Unity and Integration Department as we can contribute to enlivening the national month in the community," said the chairman of the Kakak Motor Besar Club. **Berna-**
